

ADVANCED MANUFACTURING TRAINING PROGRAM

APPLICATION

Classroom, On-The-Job Training, and Job Placement Assistance

Training Begins Monday, June 3rd, 2019

The Advanced Manufacturing Training Program (AMTP) is a partnership with the SFMade, Humanmade, Young Community Developers, Human Services Agency, and the Office of Employment and Workforce Development. Advanced Manufacturing is rapidly on the rise in the City of San Francisco. With new manufacturing companies opening in San Francisco faster than ever, obtaining talented, qualified employees continues to be a challenge for many small manufacturers.

AMTP aims to place residents of San Francisco with little to no experience in advanced manufacturing, including members of our most underserved communities, into an advance manufacturing training program that will give participants the skills and experience required to pursue life-changing careers and provide for long-term employment.

IT IS IMPORTANT TO NOTE THAT ALL PARTICPANTS MUST BE ELIGIBLE AND MAINTAIN ELIGIBILITY FOR JOBSNOW! THROUGHOUT THE PROGRAM TO RETAIN THEIR BENEFITS.

AMTP consists of 12 weeks of soft skills and advanced manufacturing hard skills training followed by Job Placement Assistance by YCD and SFMade or the possibility of 3-months JobsNOW! wage subsidy employment (32 hours/week) leading to unsubsidized employment.
