March 21, 2020

Dear YCD Customers, Residents, Funders, Families &  
Friends

We as a community are facing unprecedented challenging times as we move into this "new normal." In the face of this uncertainty, be assured that YCD continues to support the needs of the residents of San Francisco.

To reduce the spread of the COVID-19 Virus, the City and County of San Francisco along with Health Officers of the Bay Area issued a Public Health Order that requires residents to **STAY HOME** with exception for essential needs.

This is currently in effect until April 7, 2020.

This has resulted in modified YCD operations but to be clear  
**YCD IS OPEN AND ACTIVELY SERVING OUR SAN  
FRANCISCO RESIDENTS!!!**

Out of precaution, YCD has adjusted the delivery of our program and services from in-person, to a remote service model utilizing technology to support our clients, customers and each other through these trying times. In the spirit of continuous improvement, YCD will continue to refine and adapt our service delivery models to best serve our San Francisco Residents.

To assist you with navigating the current times, we have compiled a short list of resources. We hope you find these useful and encourage you to share them with others who might benefit from this information.

<https://www.cdc.gov>

YCD is steadfast in our commitment to our community even in times of challenges and rapid change. Now is the time to lean on one another for support and resources while we navigate these difficult circumstances together. On behalf of YCD, it is an honor to serve the residents of San Francisco. We look forward to announcing new ways we will be providing our programs and services in the days to come.
